

MULE LONGITUDES

Words by Doug Berger, 9/80

Music by Chuck Kershenblatt, Circa 12/80

Music on minidisk: 「Never Mind The Shit
Here's Chuck the Duck」 . Chords unknown.

When I became too weak
to fight anymore
I stared out
along the shore.

Hoping to catch
a glimpse-
or a flash-
or a dart-
or more
of the light we
shared before,

You and I,
had said goodbye,
to the emotions
dancing in our heads.

Which grew tired
and fell to
the floor.
