

QUEST FOR THE PUMPERNICKEL GRAIL

Words by Doug Berger, 10/81

And what's become of the Knights of the Cream Cheese?
Are they lost in the sauce on the Parmesan Sea?

And the long crusade for Pumpernickel Grail-
Has the Cream Cheese Brigade fought to no avail.

And what of Sir Toast, Commander-in-Chief?
Is he alive or is he deceased?
Should we just relax? Should we send him relief.

Is a farewell salute to the Dairy Knightly due?
With no more Rye-Bread,
Will they be all through?
